**Subject:** proposed responses to FDEP's assumption questions

Cesar,

As a follow-up to our conversation yesterday, FDEP would appreciate EPA's quick feedback on questions they asked during calls held with some of EPA's assumption team members on Oct 19 and 22<sup>nd</sup>. You'll recall that I forwarded you an email from Matt Hicks on Oct 19 regarding their basic questions, and we received additional clarification with FDEP staff in a call held on Oct 22. We understand that FDEP is awaiting EPA's feedback prior to proceeding with their Notice of Proposed Rulemaking and that FDEP would prefer EPA's feedback through a conversation instead of in writing.

Attached is a document drafted by the EPA Assumption Team that includes: (1) FDEP's questions (highlighted in blue text); (2) proposed EPA responses (highlighted in yellow text); and (3) other information to provide background/context for FDEP's questions and/or the proposed responses. We would appreciate feedback from the RA and the senior leaders at OGC/OW as quickly as they can provide it before responding to FDEP.

If you have any questions or need any additional information please let us know.

Thanks.

Tom
